Dear Paul:

Shame on me, I thought I responded to your August 10 request for an update on the Richard Lieberman issue.

Unfortunately, I don't have any positive news. Mr. Lieberman has run. He is now a fugitive from law and there is, of course, a warrant out for his arrest.

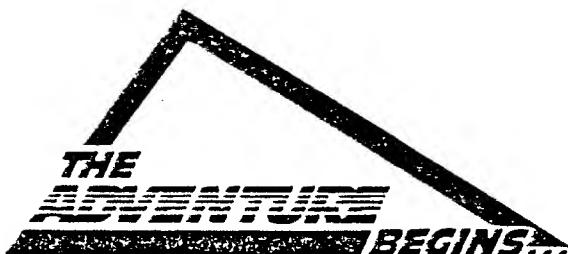

The mother of the young man he allegedly molested (fortunately not a Scout, but a patient at the hospital where Lieberman worked) is suing the hospital. We appear to be in the clear.

Let me know if you need more.

Sincerely,

Daniel R. Gasparo

Dear Dan:

I really hate to bother you again, but I have not heard from you after writing twice previously concerning this particular case.

I wondered if the legal action had now been completed, so we could have the outcome. This is most important for our file, if we are to have a complete case and be able to refuse registration anywhere in the country.

We would also like to have any newspaper clippings, court records, or statements which would give us some information as to what Mr. Lieberman did. Can you get any statements from individuals who were concerned about this behavior?

Thanks for your help.

Sincerely,

Paul Ernst, Director

Dear Dan:

It has been several months since I heard from you, and I wondered if the legal action has now been completed concerning the above named individual.

We would like the outcome for our files, so that our file is complete and we can refuse registration any where in the country where Mr. Lieberman might attempt it.

Thanks for your help in completing this file.

Dear Dan:

Thanks so much for the material you recently sent. This is most helpful as we start a file and this will give us adequate information for refusing registration in the future.

If there are any charges pressed against Mr. Lieberman, we would want to have the outcome of that legal action. This would add to our file and give us extra strength in refusing registration at a later date.

Thanks for your help.

Sincerely,

Paul Ernst, Director

Dear Mr. Lieberman:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration is enclosed.

You should understand that BSA membership is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedure for a review of this decision are attached.

Sincerely yours,

Daniel R. Gasparo
Scout Executive
